Convenient Payment Methods

Atlas makes it simple for you.

Atlas offers choices that meet your needs.

When you choose Atlas to help you go new places,® you can also choose a payment method that works best for you.

Cash and equivalents.

- **Cash:** When you pay with cash, we issue a signed receipt. *(If you do not receive a receipt, please request one.)*
- **Traveler's Checks:** These require your signature twice: first, when the bank issues them; second, at time of payment with your Atlas Account Representative present.
- **Cashier's Checks and Certified Checks:** Ask your Atlas Account Representative to inform you of the total amount. Then contact the bank and ask them to issue the check. Let your bank know when you will need the check so it is ready when you go to pick it up.

Personal or business checks.

Atlas welcomes your approved personal or business check made payable to **Atlas Van Lines, Inc.**

We ask that your check be:

- Preprinted with your name and a physical address.
- Drawn on your account with a U.S. financial institution.
- Written and signed by you *(verifiable with ID)*.

Credit cards.

You may pay for all or any portion of your move by credit card. Atlas accepts **Visa**, **MasterCard**, **Discover** and **American Express**.® Your Atlas Account Representative will prepare the charge ticket for you to sign and provide a copy for your records.

We want your move, and everything about it, to be pleasant and convenient. Please do not hesitate to contact your Atlas Account Representative with any questions.

Expect More

Regardless of how large or small the move, it can be a big leap from where you are now. Atlas knows this, and that's why — since 1948 — we've worked hard to make your move easier, whether it's across town, across country, or across the ocean.

Today, we're the most trusted partner of corporations to move their employees and families, a respected choice of demanding military and government customers, preferred by individual families wanting to make their best move.

It's what we do, every day. And we never stop thinking of ways to do it better.
